

YEAR 9 HANDBOOK

2019

ST JAMES'
ANGLICAN SCHOOL

Faith. Excellence. Justice
Respect. Integrity. Diversity

Dear Parents/Guardians,

Welcome to Year 9 at St James' Anglican School. Many of you may already have some experience of St James', as parents of current students, whilst some of you will be completely new to our community.

At St James', we work hard to provide a culture of learning within the School; keeping always in mind the goals upon which we were founded and the intrinsic value of surrounding all our efforts in a strong system of Pastoral Care. This provides our students with an environment that is safe, supportive and develops in them, a sense of belonging, pride in their School, and hope for the future.

We have had significant numbers of enrolments for Year 7, 8, 9 and 10 for 2019. We have employed teachers of Design and Technology, English and Science to support our current staff. This will ensure specialists in all areas who have come from backgrounds that support this higher level learning, as the content becomes more difficult.

The options in Year 9 that **your child has already selected** included: Japanese, Music, Visual Art, Drama, Information Technology, Food Technology, Marine Studies and Design Technology. These options run for the entire year, although the content is delivered as two semesters. These subjects were designed to allow students to explore pathways that may lead to future passions/interests that may evolve into a career.

The timetable incorporates an 8-period day to accommodate more time for practical subjects, allowing the use of double periods. This is especially important for these new option choices, which often require more time for set up, construction and then pack away. This is vital in teaching industry level standards that reflect the expectations of future employers. These options will also attract a small time increase over Year 8, with contact time increasing from 80 mins per week to 120 mins per week. We recognise that not all students will be seeking a University pathway, post Year 12.

Year 9 is the first step towards your son/daughter personalising their journey through St James'. If you have any questions about staffing or programs for 2018 and beyond, feel free to ask me at any time.

Principal

AIMS AND OBJECTIVES

PURPOSE

The purpose of a Church school is to foster growth in character and develop a set of values and skills, by teaching and example in a Christian setting, through all the activities of school life.

AIMS

Therefore, the aims of this School are:

- To stimulate an awareness and understanding of our spiritual nature and our Christian heritage
- To provide, in a caring environment, a broad-based education which emphasizes development of literacy and numeracy skills and the striving for excellence so that each student may be encouraged to develop to his/her maximum potential
- To develop inquiring and flexible minds and an attitude to life which involves a sense of direction, a positive self-concept, and the personal resources with which to lead a full life
- To encourage and develop qualities of respect for others, self-discipline, self-motivation and commitment and resilience
- To develop a system of pastoral care based on Christian beliefs and values and involving all staff and students at every level of the school community
- To provide a framework enabling a sense of community to pervade all aspects of school life, and allowing for the development of a community of students, staff and parents in positive collaboration

VALUES STATEMENT

CORE VALUES

St James' Anglican School and the Anglican Schools Commission core values are;

Faith	Living by Gospel values
Excellence	Pursuing high standards in all things
Justice	Demonstrating fairness, compassion and conviction
Respect	Respecting self, others and our planet
Integrity	Acting with honesty and openness
Diversity	Promoting social inclusion and celebrating difference

THE CHRISTIAN SCHOOL

Christian values and the teachings of Jesus Christ are at the centre of our School philosophy. We uphold Christ as "The Way, the Truth and the Life" and seek to follow Him in all we do.

- Visual and Performing Arts
- English
- Information Literacy
- Mathematics
- HASS
- Christian Studies
- Health and Physical Education
- LOTE: Japanese
- Science
- Design, Technology and Enterprise

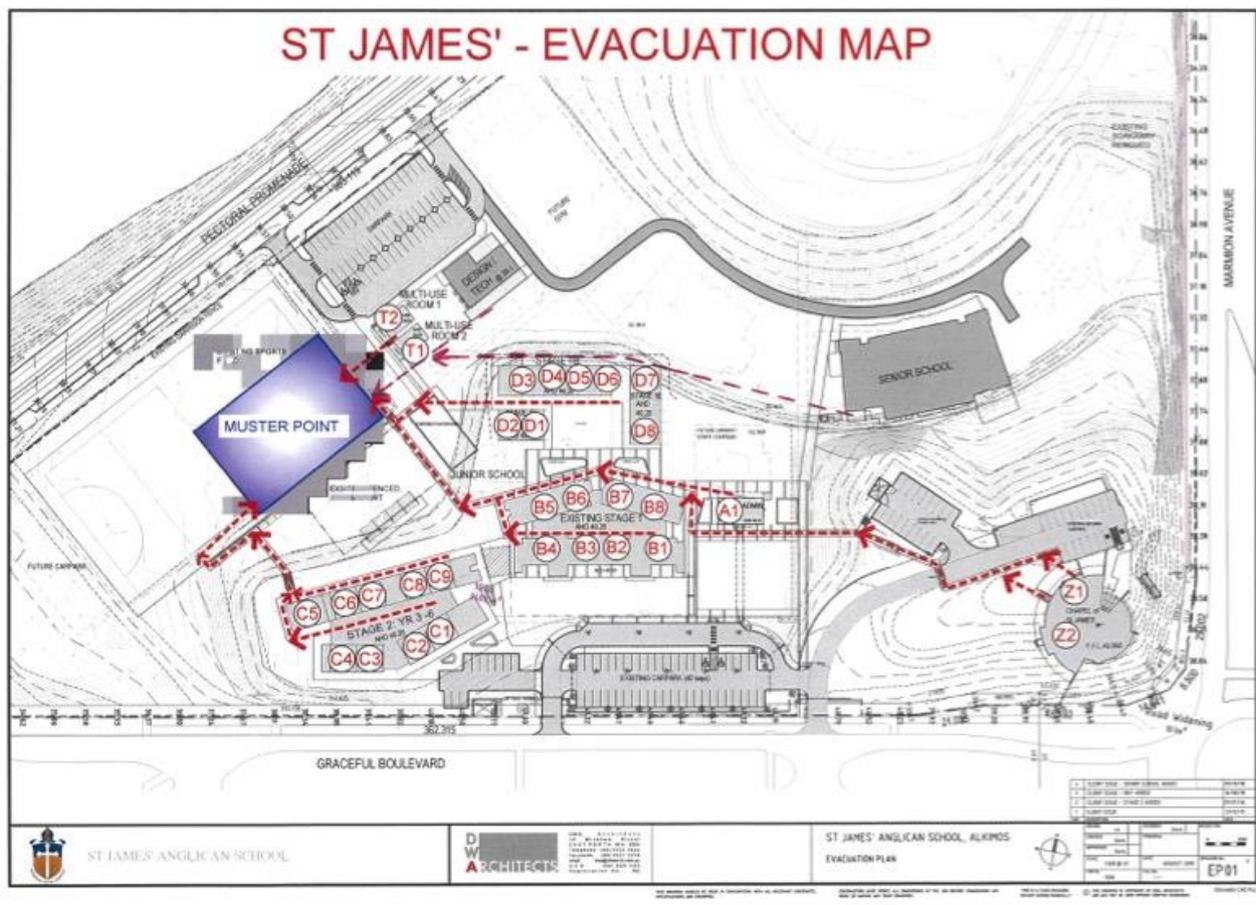

Christian principles and practice must permeate every aspect of our School life and our relationships with each other as members of the school community.

Along with other Anglican schools, St James' Anglican School distinguishes between:

Education **for** Faith

Education **in** Faith

Education **about** Faith

YEAR 9 AT ST JAMES'

Mr Chris Hall (Head of Senior School) oversees the running of the Pastoral Care System in the Secondary School. This involves working with the Form and Subject Teachers, Chaplain, and parents to ensure the effective management of student welfare.

The Form is the Pastoral Care group in the Senior School, and students are allocated to a Form group in Year 7, that they will be part of until Year 12.

The Form Teacher is the contact person if parents wish to discuss any pastoral care concerns regarding their child. If you have a subject concern, please contact your child's subject teacher directly.

The emphasis for Senior School students is to provide a wide range of educational possibilities. Class numbers in academic subjects in Years 7 to 10 are approximately 30 with around 20 in practical subjects.

YEAR 10 SUBJECT SELECTION 2019

At the start of Semester Two, students will attend a forum that will detail subjects on offer for Year 10. Students will bring home information about subject selection and have an opportunity to discuss with parents what choices they may make. Forms will need to be returned by the end of Term 3.

Students in Year 10 continue to study the Core subjects of English, Mathematics, Science and HASS as well as Physical Education, Health, Outdoor Education and CAVE. In addition to this, students will have made subject selections from the following options.

In 2019 the subject options were:

- Music
- Digital Technology
- Visual Arts
- Woodwork
- Drama
- Japanese
- Food Technology
- Sports Science
- Forensic Science

Cervantes, Eglinton, Sydney and Twilight

The School is divided into four Houses for the purpose of sporting and cultural competition. Points will be awarded for competitive activities.

The House system is an integral part of the total school philosophy. A number of activities, sporting and cultural, are organised on an Interhouse basis. All students are expected to participate in House activities, voluntarily and on request.

Captains will be appointed each year.

House Leaders:

8/9 Twilight	Mr Brenton Mizen	bmizen@stjames.wa.edu.au
	Mrs Tanisha Burtnyk	tburtnyk@stjames.wa.edu.au
8/9 Sydney	Miss Jes Meulenkamp	jmeulenkamp@stjames.wa.edu.au
	Ms Jo Walden	jwalden@stjames.wa.edu.au
8/9 Cervantes	Miss Annalisa Sorgiovanni	asorgiovanni@stjames.wa.edu.au
	Mrs Belinda Pownall	bpownall@stjames.wa.edu.au
8/9 Eglinton	Mr David Johnson	djohnson@stjames.wa.edu.au

The educational program of St James' Anglican School aims to provide an education based on Christian practice and faith, expressed by concern for the individual and for the wider community.

The Core subjects students will study in Year 9 are:

English	Christian Studies (CAVE)
Mathematics	Physical Education
HASS	Health Education
Science	Outdoor Education

In addition to the Core subjects, students will select four subjects from the following lines to complete their timetable (these were the options in 2019).

Line 1	Food Technology	Design Technology	Drama
Line 2	Digital Technology	Marine Studies	Visual Art
Line 3	Japanese	Food Technology	Drama
Line 4	Sports Science	Music	

HOMEWORK GUIDELINES

Purposes of homework:

- Provides more opportunities for children to communicate, share and practice their learning with their parents
- Provides a link between the home and the school
- Encourages the development of self-management skills such as responsibility, independence, self-discipline, organisation and planning skills.
- Complements and enriches the learning at school.

Year	Total Time per Week	Average per Night
PP	20 minutes	5 minutes
Year 1	40 minutes	10 minutes
Year 2	60 minutes	15 minutes
Year 3	80 minutes	20 minutes
Year 4	80 minutes	20 minutes
Year 5	100 minutes	25 minutes
Year 6	120 minutes	30 minutes
Year 7	5 hours	60 minutes
Year 8	6 hours	75 minutes
Year 9	7.5 hours	90 minutes
Year 10	8.5 hours	100 minutes

Homework is recorded on our school system SEQTA. Students and parents are encouraged to log on to see what work is required to be completed and the due dates of set tasks. Students are expected to record their homework in either a diary or on their device.

LOCKERS

Year 9 lockers are located within the Senior School building and Building D. Students are to provide their own padlock. Students are able to access their lockers before school, at recess and at lunch times. Students are not permitted to go to their lockers during class time and between classes. Lockers are not accessible after hours.

LATE ARRIVALS/ABSENTEES

If your child is absent, please notify Mrs Lucas in Administration before 8.15am on the day of absence, through email at absent@stjames.wa.edu.au or by phone on 08 6336 8330. Email is preferable.

Late arrivals, appointments during the day or students leaving early will need to report to Administration to sign in or out. A note will be given to the student to take to class.

Three consecutive days of illness will require a medical certificate.

If the School has not been notified of the absence, an SMS message will be sent to the authorised contact.

If your child will be away for an extended period of time, you must write to the Principal for permission. This can be done through the normal mail process or by emailing absent@stjames.wa.edu.au. Please note, it is the students' responsibility to make sure they do not fall behind with class assignments and assessments while they are away.

ILLNESS DURING THE DAY

Sick bay is located in Administration. If a child falls ill during the school day, the student must ask the teacher and report to Administration.

It is the responsibility of parents to inform the School if their child has a medical issue that requires extra support or medication dispensing during School hours.

If your child requires emergency medication, a spare supply of medication and an action plan must be kept at Student Reception.

In 2019, a range of iPad models will be supported; however, we recommend the latest model of iPad to ensure it lasts for an extended period of time.

Recommended iPad Models	Storage
iPad 2018 (6th Generation)	128Gb
iPad 2017(5th Generation)	128Gb
iPad Pro (10.5-inch screen)	64Gb OR 256Gb

Please note that we do not recommend the iPad Pro 12.9-inch model as this is considered too cumbersome for school purposes.

Other Supported iPad Models
iPad Pro (9.7-inch screen)
iPad Air 2
iPad Air

Models older than these are not supported as do not accept the latest iPad Operating System. If purchasing a replacement iPad, please purchase one of the recommended models.

iPad Mini

The iPad mini is not acceptable for Senior School as its small screen size makes it unsuitable for frequent use for accessing digital documentation. Unfortunately, it is also currently not a permitted device for NAPLAN. It is envisaged that NAPLAN testing online will occur from 2019 onwards.

Storage

Although we permit iPads with 16GB of storage, we do not recommend them as there are a large number of school apps that will consume it. Students with a 16Gb iPad will experience difficulty with maintaining a capacity for storage and App installation.

Changes from 2018

The new operating system for iPad (iOS12) was released in the second half of 2018. We have been advised that models older than the iPad Air will NOT be supported.

The following models are NOT supported in 2019 unless they have already been supervised and enrolled by the School prior to the deployment of iOS12. Students who enrol at St James' after the release of iOS12 must have a model listed above.

Models NOT Supported				
iPad 4	iPad 3	iPad 2	iPad 1	iPad mini 1

If you are not sure which model of iPad your child has please see the following webpage:
<https://support.apple.com/en-au/ht201471>

Students are responsible for the care and security of their own iPad. When they are not in use in the classroom, they must be locked in the students' locker. iPads must be taken home each day and not left in lockers or at school overnight.

Information regarding Student Technology at St James' can also be found on the school website under Tech Bar.

CHAPEL

All students at St James' attend Chapel once per week. Christian Education is a part of the students' timetable.

Students and families are welcome to attend the Chapel of St James for weekend services. Please check the School website for details.

CANTEEN

The Canteen has an online ordering system. This system allows you to order lunch, up to two weeks ahead, and pay for it online. Orders must be completed by 8:20am on the day required. To order online, please visit www.flexischools.com.au and follow the prompts.

UNIFORM

Students are expected to wear the designated school uniform with pride at all times, including while on excursions and sporting events. Students must look clean, neat and tidy while at school and travelling to and from school. All items of uniform must be clearly labelled with the owner's name.

Summer uniform is worn in Terms 1 and 4 and winter uniform is worn in Terms 2 and 3. The St James' wide brimmed hat is a compulsory item in Terms 1 and 4 and must be worn at all times when the student is outside. We recommend students wear their hat in Terms 2 and 3. The School blazer must be worn to and from school in Terms 2 and 3.
